Parrot's Puzzle

The **Parrot's Puzzle** block can yield many different looks, depending on how many colors you use (example on first page uses 6 colors per block, the examples here have 4) and how you arrange the blocks. Use the lines drawings below and your favorite colored pencil to experiment with your own color schemes and arrangements.

6" Parrot's Puzzle
finished size

Add 1/4" seam allowances around all pattern units.
